Purpose of the proposal and its anticipated effects, including any changes in existing rules: To bring the college's Title IX Hearing Procedure for Students into compliance with a new Final Rule governing sex discrimination grievance procedures recently adopted by the United States Department of Education and to update the procedure to ensure its prohibited conduct and procedures adequately protect the interests of the college community and the constitutional and procedural rights of individual students..

**Reasons supporting proposal:** On April 19, 2024, the U.S. Department of Education released its Final Rule under Title IX. This rule requires institutions of higher education to adopt student disciplinary procedures addressing sex discrimination, including sex-based harassment. The deadline for implementing this new rule is August 1, 2024. In addition to complying with the new Final Rule, the college is updating its Title IX Hearing Procedure for Students to address jurisdiction and prohibited conduct changes. These new definitions of prohibited behavior and updated procedures are necessary to address conduct that may pose a threat to the general welfare of the college community and/or college operations and to protect the constitutional and procedural rights of individual students.
