## 1.0 Service and Activity Funds Objective and Responsibilities

Service and Activity (S&A) funds are intended for the express purpose of supporting student activities and programs (RCW 28B.15.041) which contribute to the welfare of the College as a whole. S&A funds are state funds and therefore may be used to support religious clubs' non-religious activities but shall not be applied to religious worship, exercise, or instruction. S&A funds may be used to support political clubs but are restricted in use for lobbying.

S&A fees are approved by the Board of Trustees prior to the start of each academic year. Students, through the Associated Students of Columbia Basin College (ASCBC) Budget Committee, have a strong voice in recommending the apportionment of S&A fees to support various student activities and programs (RCW 28B.15.045).
